

SPONSORSHIP PROPOSAL

INTRODUCTION - IIT BOMBAY RACING TEAM

MORE THAN JUST A TEAM, WE ARE STUDENTS DRIVING THE NATION'S ENGINEERING & INNOVATION FORWARD

WHO WE ARE

Highly motivated **undergraduate students** united by our passion for engineering and the ambition for innovation

WHAT WE DO

We design and manufacture our high-performing **electric**, and **driverless race cars** to compete in International Formula Student competitions

OUR MISSION

To empower students to take on **real-world engineering challenges**, and push the boundaries of vehicle technology in India

ABOUT US

THE COMPETITION WE GO TO

FORMULA STUDENT

WHAT IS FORMULA STUDENT

- International Engineering Competition
- Formula 1 style Electric Racing
- 20+ worldwide competitions with 800+ technical universities participating

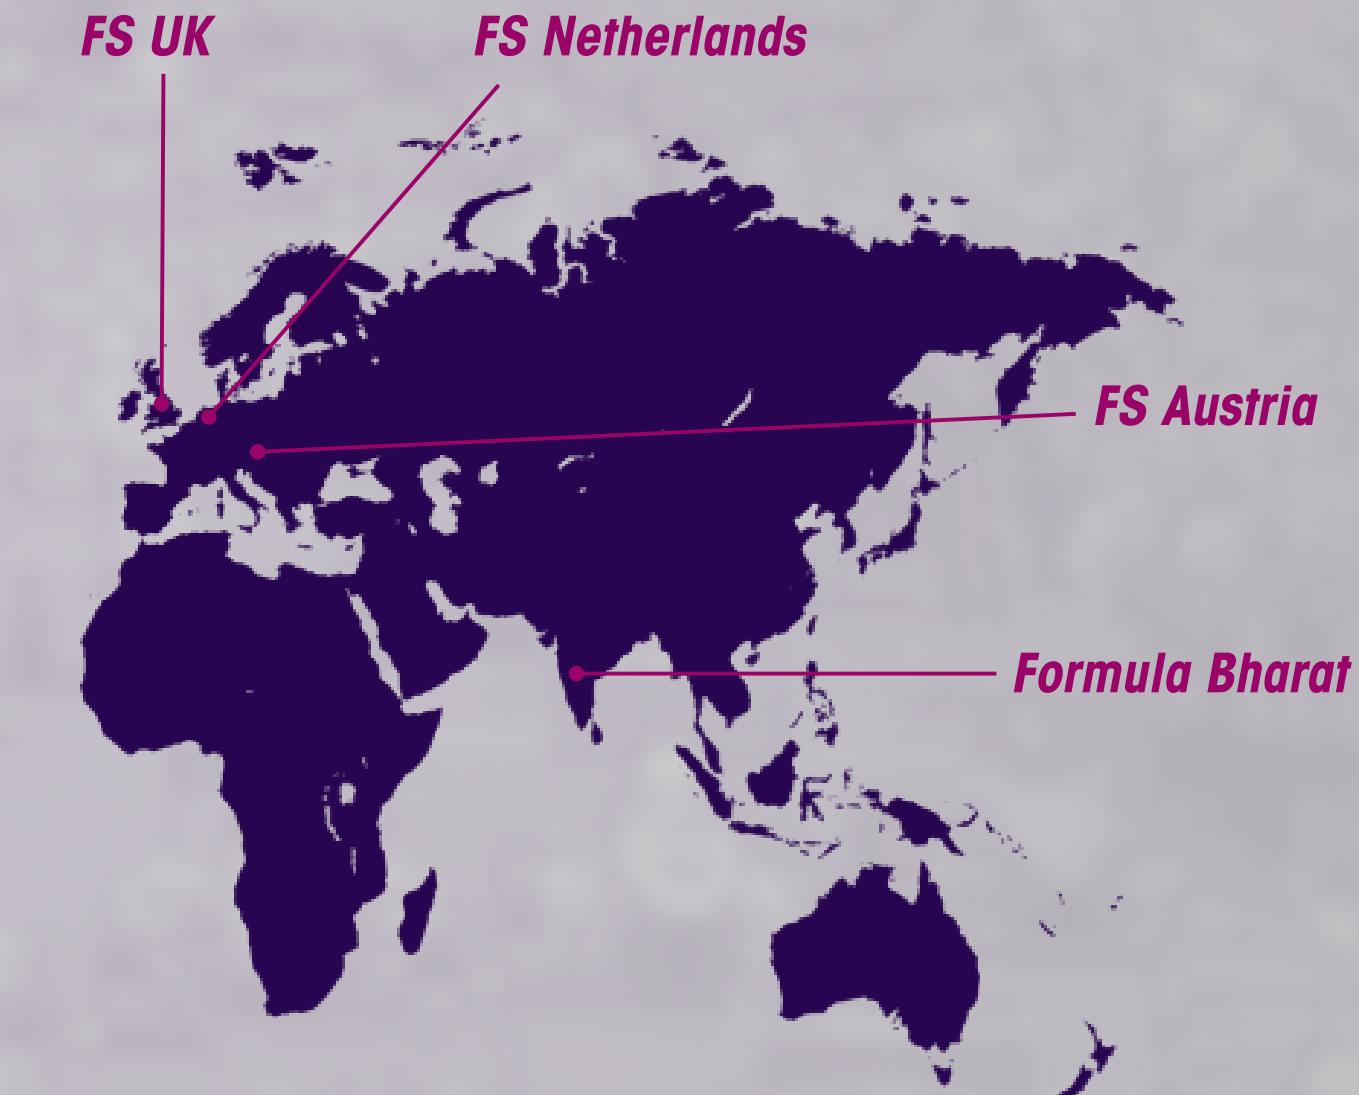

EVENTS

Dynamics

- Acceleration
- Skidpad
- Autocross
- Endurance

Statics

- Engineering Design
- Cost & Manufacturing
- Business Plan Presentation

ABOUT US

FORMULA STUDENT - GLIMPSES

Formula Student (AI) UK, Silverstone

Formula Bharat, Kari Motor Speedway

Formula Student Netherlands,
TT Circuit Assen

Formula Student Austria, Red Bull Ring

ABOUT US

ACHIEVEMENTS

OUR LEGACY OF INNOVATION AND VICTORY

FS UK

- 2014- 1st Indian team to complete Endurance
- 2021- 1st in EV Concept Class
- 2023- 3rd in EV Concept Class
- 2025- 4th overall in FS Artificial Intelligence, UK

SUCCESSFUL COMPLETION OF 10 FULL AUTONOMOUS LAPS AT FSAI 2025

FORMULA BHARAT

- 2018- 2nd in EV
- 2022- 5th in EV (1st in BPP)
- 2024- 1st in EV

ABOUT US

ALUMNI NETWORK

WE FUEL A TALENT PIPELINE THAT DRIVES NATIONAL PROGRESS & GLOBAL INDUSTRY LEADERSHIP

150+

graduates have pursued advanced degrees at **Ivy League universities** and global top-tier institutions.

25+

alumni have launched or co-founded **startups** across mobility, healthcare, and renewable energy, collectively employing **1200+ individuals**.

dozee

carnot

VRKAA

120+

alumni hold senior positions at Fortune 500 companies, driving advancements in electric vehicles, AI/ML and consulting.

ABOUT US

DRIVING THE NATION'S FIRST'S

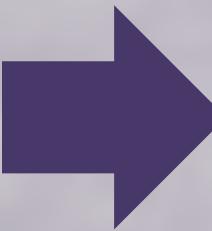

WE HAVE BEEN PIONEERS IN INDIAN VEHICULAR TECHNOLOGY, LEADING BY EXAMPLE

Timeline of Technological Milestones											
COMBUSTION PIONEER ERA				ADVANCED MATERIAL ERA				DESIGN & PODIUM BREAKTHROUGH ERA			
2008	2009	2012	2013	2014	2015	2016	2020	2021	2023	2024	2025
India's first Formula Student team at FSAE Michigan, winning key debut awards.	India's first student electric race car (EVo 1.0) and won Best Car and Sustainability Awards with Prithvi 3.0.	India's first team to complete all static and dynamic events at an international competition.	First Indian student team to fabricate carbon fiber bodywork - in-house.	India's first 1st Overall win at international FS competition (FSUK).	Won EV Category Overall Championship with podiums in Design, & Cost in Formula Bharat	ELECTRIC TRANSITION ERA			AUTONOMOUS & AI ERA		
Won Asia's 2nd best FSUK score and Raftar Award for fastest vehicle at Baja SAE India.	Pioneered India's first electric differential with EVo 2.0 in Formula Student.	First Indian student team to fabricate aluminium honeycomb monocoque chassis.	India's first FS UK Engineering Design Award winner.	Podium finishes in FS UK Concept Class and FS AI Real-World AI.	3rd overall in Statics 4th overall in dynamics at FSAI	2008	2009	2012	2013	2014	2015
2016	2020	2021	2023	2024	2025	DRIVERLESS INT. ERA			DESIGN & PODIUM BREAKTHROUGH ERA		

ABOUT US

OUR GOALS THIS YEAR

BUILDING INDIA'S FIRST DRIVERLESS FORMULA STUDENT CAR

2025

SUCCESSFULLY VALIDATED OUR FULL
SOFTWARE-TO-HARDWARE INTEGRATION

2026 TARGET

HAVE BOTH DRIVER AND DRIVERLESS
CAPABILITIES IN THE SAME CAR

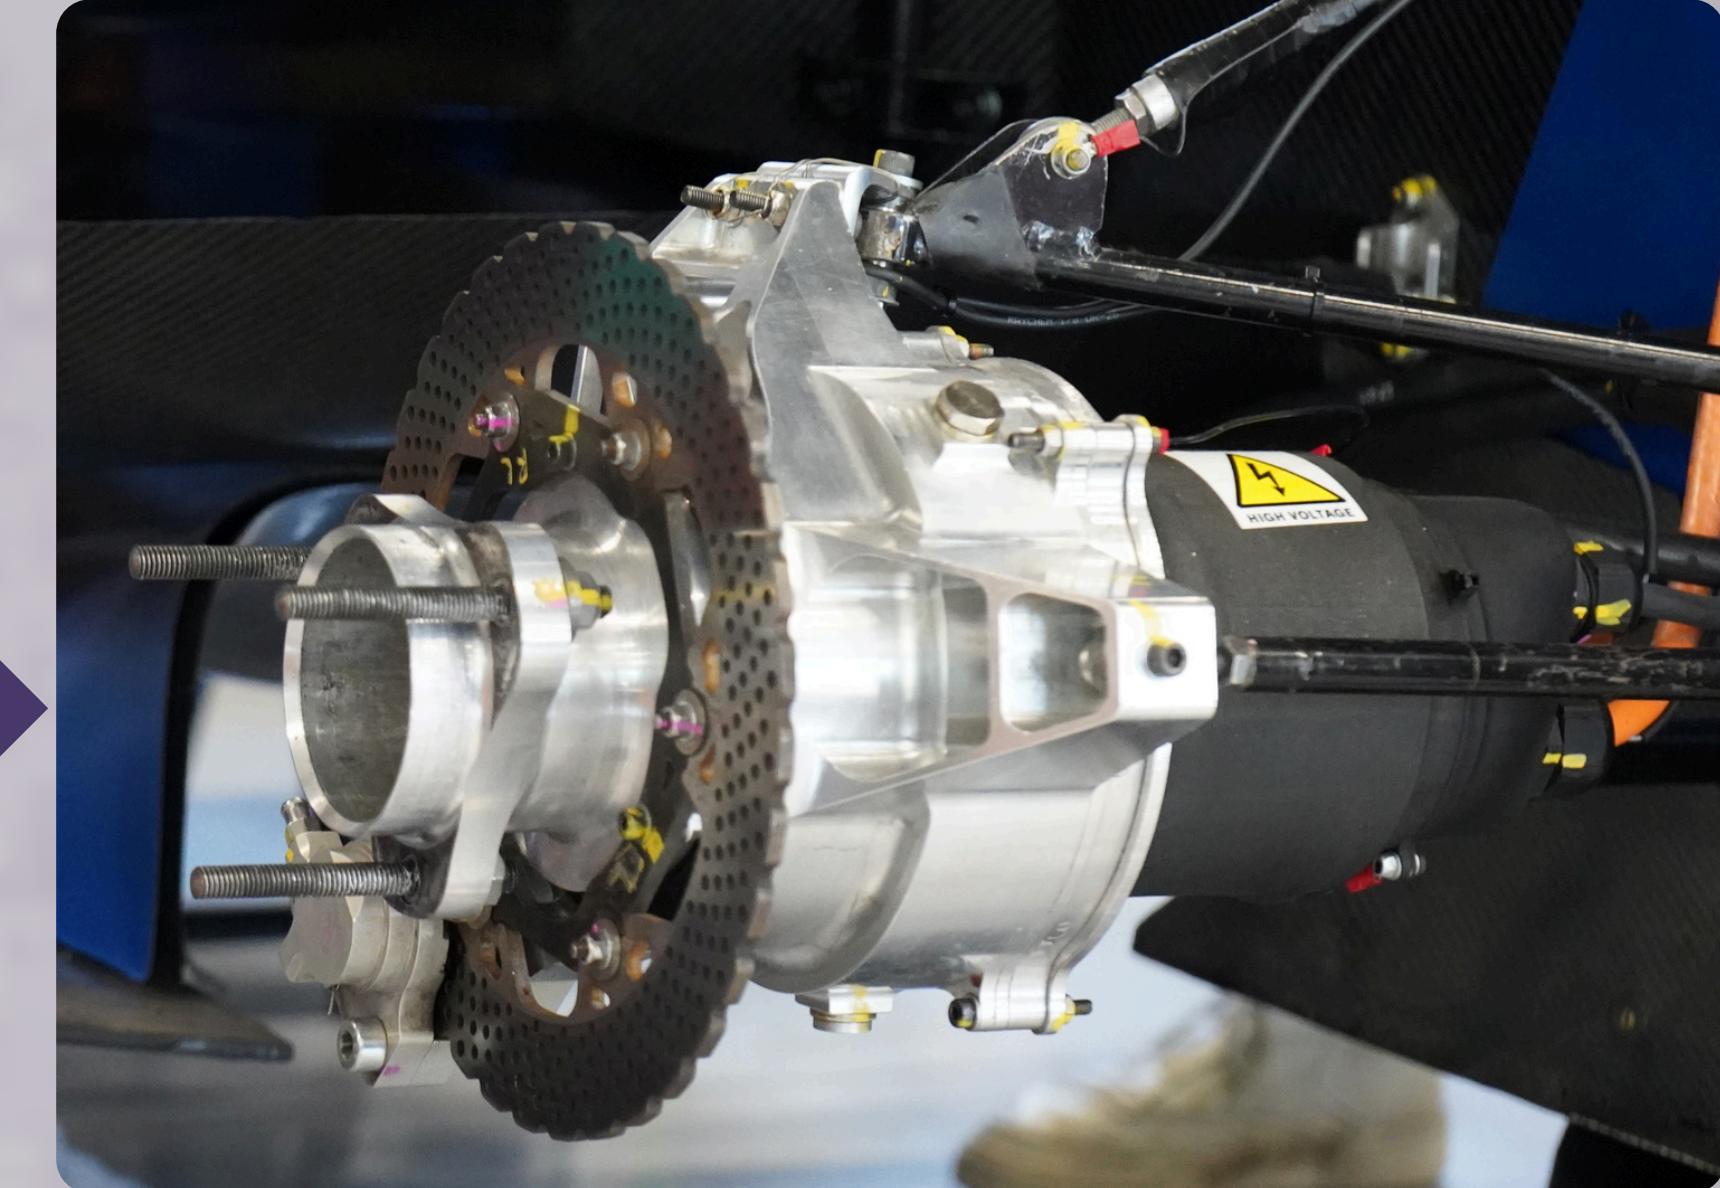

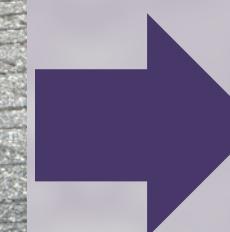

GOALS

OUR GOALS THIS YEAR

DEVELOPING INDIA'S FIRST 4 WHEEL DRIVE FORMULA STUDENT CAR

2025
DUAL INBOARD MOTOR RWD

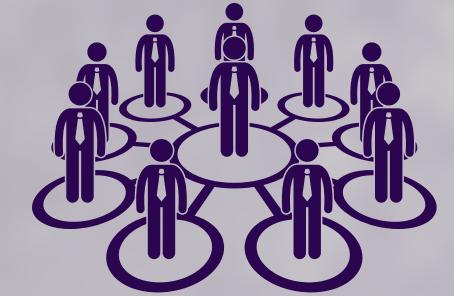

2026 TARGET
DESIGNING & TESTING INHUB MOTORS DRIVETRAIN
2027 TARGET
4WD IMPLEMENTATION

GOALS

WHY PARTNER WITH US

100+

Direct access to dedicated industry ready future engineers skilled across multiple fields

1500+

Get in touch with IITB Racing Alumni graduates in successful startups, corporates & academia

13+

Years of advancements in sustainable mobility and technologies

182k+

Engagements with technology enthusiasts and inspiring young minds to innovate in STEM

WHY US

TRIPLE-IMPACT CSR COMPLIANCE

FRAMEWORK ALIGNED WITH THE SCHEDULE VII OF THE COMPANIES ACT, 2013

CLAUSE (II) - EDUCATION & SKILL DEVELOPMENT

Education with practical tech training for better careers

- Hands-on auto engineering education
- 1,300+ training hours
- Carbon fiber & EV systems
- Strong job outcomes

NIIT partnerships trained 1,000+ students each across Airport Authority of India, Jindal Steel, and Panasonic

CLAUSE (IX) - IIT TECHNOLOGY PROJECTS

2019 amendment allows funding to public universities, including IITs

- Direct CSR eligible as an IIT Bombay project
- Public institute
- R&D-led innovation
- Access to industry-grade labs

Tata Motors' 4-year sponsorship trained 70+ students annually, achieving 31st place at Formula Student UK 2019

CLAUSE (IV) - ENVIRONMENTAL SUSTAINABILITY

Sustainable engineering that advances clean energy

- EV innovation and research
- Battery technology progress
- Zero-emission transport

Bosch Group's support for TU Hamburg's sustainable automotive technologies and manufacturing processes

WHY US

WHAT YOU GET?

HIGH-IMPACT BRAND VISIBILITY; DELIVERING ₹5L+ MARKETING EQUIVALENT VALUE*

CHANNEL VALUE ANALYSIS

₹30,000
